Dear Speaker Ryan:

On December 6, 2017, the House of Representatives passed H.R. 4477, the FIX NICS Act and H.R. 38, the Concealed Carry Reciprocity Act in a package by a vote of 231-198.

While we are pleased the House was able to vote on and pass the concealed carry reciprocity bill – to allow law-abiding gun owners with gun permits to carry firearms in any state that recognizes carry rights – we are concerned the Senate will separate these two bills and pass just the FIX NICS language, sending the measure back to the House without including the reciprocity language.

We write to communicate that we will oppose any attempt to bring FIX NICS to the floor of the House for a vote unless it includes language substantially similar or identical to that of H.R. 38.

Sincerely,
